## PROFILE

Motivated and adaptable IT undergraduate currently pursuing a BSc (Hons) in Information Technology at the Sri Lanka Institute of Information Technology (SLIIT), with a strong foundation in both software development and problem-solving. Experienced in team-based and academic projects involving web development, full-stack technologies, and mobile apps. Proficient in HTML, CSS, JavaScript, and familiar with modern frameworks such as React.js and Node.js. Demonstrates a keen interest in AI-assisted development and productivity tools, with hands-on experience using Cursor AI, GitHub Copilot, and similar platforms to accelerate development workflows. Quick to learn, detail-oriented, and eager to contribute to real-world projects while growing in a collaborative and innovative tech environment.
